[Touchstone on Lake Muskoka Launches Facebook Contest To Celebrate the Best of Muskoka](#)

As I'm sitting here looking out the bay window of our office it just struck me that Fall is actually here (even if it is still hot outside!)

Fall is probably my favourite season of the year and the best place to get the most out of it in my opinion is Muskoka.

What a happy coincidence it is that we heard about a pretty cool contest being held by [Touchstone on Lake Muskoka](#) [map] which will celebrate the best of the region.

Residents, visitors and fans of Muskoka are being asked to join [Touchstone's Facebook page](#) to share their favourite Muskoka fall memories or upload photos.

The best story or photo as voted by Facebook fans will win a grand prize stay at Touchstone including dinner at Taste Restaurant and pampering at Touch Spa, and there are bi-monthly chances to win a \$50 gift certificate to the resort.

“Everyone has a cherished memory, great story or favourite photo of Muskoka in the fall,” says Walter Thompson, president of The GenerX Corporation who developed Touchstone.

“There are very few online communities dedicated to the Muskoka region, so we see this as an opportunity to get people talking about Muskoka and Touchstone. Hopefully they will come up and see what makes it such a special place.”

In addition, every person who ‘Likes’ the Touchstone on Lake Muskoka fan page will be privy to a special social media promotional code, giving them 10% off a one-time stay at Touchstone - you know how we love all things 'social media' so we love this!

So if you want the chance to enjoy luxury accommodations in Muskoka with amenities at your disposal such as restaurants, a spa, fitness centre, private beach and more then get your entry in by the close of competition on November 30th, 2010.
