In honour of fall, one of the most stunning times to visit Muskoka, resort-residence Touchstone on Lake Muskoka, is launching a contest to celebrate the best of the region. Residents, visitors and fans of the region are invited to join Touchstone's Facebook page (find it by searching for "Touchstone on Lake Muskoka") to share their favourite Muskoka fall memory, or upload a cherished Muskoka fall photo. The best story or photo, as voted by fellow Facebook fans who "Like" the entry, will win a grand prize stay at Touchstone, including dinner at Taste Restaurant and pampering at Touch Spa. Bi-monthly, contestants have a chance to win a \$50 gift certificate to the resort. In addition, every person who "Likes" the Touchstone on Lake Muskoka fan page will be privy to a special social media promotional code, giving them 10% off a one-time stay at Touchstone.
