Price range: Starting from \$249,000 for a quarter fraction

Location: Bracebridge

Now in its second phase, Touchstone on Lake Muskoka is a fractional resort development located on one of Muskoka's most popular lakes. To launch Phase 2, the developers have released a new collection of units, available in quarter fractions. These suites have been designed so that they can be divided in two, allowing residents to use the entire unit if they have a bigger group coming to stay, or instead to use just half and put the rest into the site's rental pool to earn extra money from their investment.

Builder/developer The GenerX Corp. and The Rose Corp.

Building The new units are located in The Cascades, made up of two buildings of three storeys.

Suites Two-bedroom layouts

Size All of the new units are 1,625 square feet.
